Your phone

When you're in a boring lecture, doodle. Doodling helps you stay awake and can increase your ability to remember information by nearly 30%. Best: Draw something upside down. That wakes up the right side of the brain, which is responsible for energy and creativity.

No more braces...

Only smiling faces!!

CONGRATULATIONS TO THE WINNER OF OUR "SHARE A SMILE" CONTEST!

HOPE BLACKWELL

Hope won an iPad

CONGRATULATIONS TO ALL OF OUR SENIORS &

OUR COLLEGE GRADUATES

We have a NEW Logo and here it is

Let us know what you think!

UNDER CONSTRUCTION

We are giving our East Main Street Office a much needed Face Lift.

So bear with us through this transformation!
